That sometimes means athletes are not placed on their desired level/age team. As transparency is one of our core values, we will be sending out the athlete scores/videos. This feedback should be used as a stepping stone to help the athlete learn and grow. If your athlete wishes to discuss their placement evaluation that may be scheduled with the coaching staff 48 hours *after* the team reveal. To schedule please email montanaperformancegym@gmail.com, subject: Evaluation Feedback Appt- Athlete's name. please include your desired date/time and we will do our best to accommodate.

team placements

There may be athletes on any given team that tumble at different levels than the rest of their team. We try to match up the athletes by level as best as we can, but please remember that stunting, pyramids, jumps, dance, and motions are a huge factor as well. Some athletes will be stronger tumblers than others, while some will contribute to stunting more than others. Creating a team is like a giant puzzle and we need to make sure we all fit together perfectly. Every athlete is placed on the team we think they will be the most successful on. Reminder that you are joining an MPG team, this does not guarantee a specific level or team.

At MPG, no athlete will ever be cut from a team. Everyone makes a type and level appropriate team.

Your eligibility age for the season is based off of the year your child was born. Many athletes will fall into more than one category. We will place them based on what we feel is the best fit for the child. Our intent is to max out the ages in each team. This ensures that athlete's are placed on teams with their appropriate aged peers.

Commitment

Financial Commitment:

As outline within the cost sheet for each respective team, parents and their athletes are agreeing to pay the required CAF and tuition fees monthly. These amounts do not include the expenses associated with traveling to/at competitions. To help offset those costs MPG will have multiple group and individual fundraising opportunities throughout the year. Within the member page on our website (*access granted after down payment is processed*) you will find group and individual fundraising opportunities.

We highly encourage you to fundraise as much as possible. Any excess of funds can be rolled over to the next season. There will be no refunds of tuition or CAFs given.

Time Commitment:

All star cheerleading truly is like no other sport. Every teammate has an integral role in the routine, and there are no benchwarmers or alternates. As a result, it's important that athletes take practice times seriously so as to not delay the progress of the team as a whole. We also believe it's important for athletes to participate in after-school activities and other pinnacle moments in their childhood and young adulthood. When we have adequate notice, coaches can adjust lesson plans to meet the needs of both the individual and the team. *Practice times will be between 4:30pm-8:30pm Monday- Thursday.*

Cheer Team Handbook:

To avoid information overload we have slimmed down this packet with the most pertinent information related to placements. The comprehensive Cheer Team Handbook can be found [Here](#). The handbook provides additional details on expectations, team rep, important dates, signing day, fundraising, etc.
